

Boston Old Path Sangha

BOPS exists to support the spiritual practice and tradition of mindfulness and Buddhist meditation, as exemplified by the teachings of Thich Nhat Hanh and other Buddhist teachers. We come together regularly to meditate and deepen our practice. We strive to nurture compassion and understanding within the sangha and throughout the larger society.

AFFIRMATION OF MEMBERSHIP, 2014

Membership is renewed when an individual affirms that s/he endorses the purposes of BOPS and will support the teachings, the spiritual path, and the community. While there are no membership dues, each member makes a personal commitment to the practice of dana—to give back and sustain the sangha for others. Only members may vote or participate in consensus decision-making.
